

**Appendix A  
Tulare County Transportation Authority**

**Quarterly Report Update**

Agency: CITY OF FARMERSVILLE

Quarter: 09/30/2007

**Local Programs**

Project	Description	Limits	Start date	Completion date	Amount
Freedom Dr Signal	Signal Light installed at Freedom Dr and Walnut Ave.	Freedom Drive and Walnut Ave	08/01/08	10/31/08	\$ 450,000
Total:					<b>\$ 450,000</b>

**Transit/Bike/Environmental**

Project	Description	Limits (for transit headways)	Start date	Completion date	Amount
Total:					<b>\$ -</b>

**NOTE:** The School District brought their plans to the City office on September 27, 2007. They want a road to follow the east property line to Walnut where it will meet up with Road 168. The District will be submitting their plans on December 2, 2007. After State review they will know if the State has authorized them to put in a street. If they get the approval, the signal will go at Rd 168 and Walnut rather than Freedom Drive and Walnut. We will not know the exact locatin of the signal until the plans are approved. Consequently, Staff is not sure where the signal will be or how soon design will begin or the project complete. The City or the Districti can aford 2 signal lights in that short of distance. The \$450,000 is a very high estimate. I believe it will be done for around \$300,000.
