<b>Accomplishments this quarter:</b>										
Omni Means is in the process of working on the planning and design for the Farmersville Blvd widening and entryway. Design Budget \$300,000										
<b>Anticipated progress next quarter:</b>										
Continuation of design work.										
<b>Pending issues/recommended resolution/effect on schedule and budget:</b>										
Caltrans approved the roundabout. City engineers working with Omni Means to get designs finished up. Soon will start the Roundabout construction. Still missing 1.5 to 2 million to finish road widening from Noble to Walnut. Working on funding.
